Dear Woodridge Resident:

Please be advised that Detour Phase of the project is expected to begin on **Thursday, August 10**.

Janeswood will only be open to westbound traffic until early to mid-September, weather permitting. A signed detour route will be in place for eastbound traffic. Access to all side roads intersecting Janeswood will be maintained throughout the project. However, there will be short periods during the workday that access will be interrupted when work activities are immediately in front of the intersection.
