**REQUIREMENTS FOR APPLYING FOR
FINAL PLAN AND PLAT
FOR A PLANNED UNIT DEVELOPMENT**

APPLICATION

This application packet must be completed accurately and truthfully, in its entirety. It must contain an original signature of the property owner or owner’s authorized agent. The application consists of the form on the first page of this packet and a series of checklists detailing the required submittal items pertaining to **final plans and plats of planned unit developments**. The original application and checklists, along with **nine (9) copies**, shall be submitted with the necessary plans. **All plan sets must be folded and grouped** prior to submittal. For more details on any of the requirements summarized here, please refer to the applicable sections of the Village Codes, especially Chapter 14 of the Zoning Ordinance.

CHECKLISTS

The following checklists have two sets of boxes to certify submittal of the required items. The applicant must certify his/her compliance by checking the first column of boxes or writing “NA” if the requirement is not applicable. The Village staff will, upon review of the items presented, certify that the application meets the Village's submittal requirements. Please be advised that plan review will not commence until the Planning and Development Department receives a **complete** application containing all required items.

Appl Staff

APPLICATION FEE

The applicant must submit an application fee in the form of a check, cashier's check, or money order made payable to the **Village of Woodridge**, for final plan and plat review in the following amount, based upon the acreage of the Subject Realty:

<i>Acreage of Subject Realty</i>	<i>Application Fee</i>
Less than 2 acres	\$750.00
2-10 acres	\$1,000.00
More than 10 to 25 acres	\$1,500.00
More than 25 acres	\$2,000.00

APPLICATION

The applicant must submit an original complete application and checklist, along with nine (9) copies, for a total of **ten (10) application** sets.

FOUR REVIEW LIMITATION

Four (4) staff reviews are included with the application fee submitted with respect to any application/petition. If at the applicant’s request, or in the opinion of the Village staff, more than four (4) plan reviews are required prior to the application being reviewed by the Plan Commission, the owner of the property, or agent thereof, shall pay to the Village \$500.00 for each plan review in excess of four (4). Review of the fifth (5th) and subsequent plan submittals will not commence until the \$500 fee has been paid.

Appl Staff

REIMBURSEMENT OF FEES AGREEMENT

The applicant will also be responsible for paying any and all costs associated with the review of the proposal by legal, engineering, planning or other consultants retained by the Village, together with any costs related to public hearings, including, but not limited to, public notice publication costs, court reporter fees, and public notice certified mailing expenses. In order to ensure payment, the applicant must file an original, executed Reimbursement of Fees Agreement, and place a deposit of funds on escrow, pursuant to the terms set forth in Section 3-1A-3A of the Village Code. The agreement must be submitted with an original signature.

PROOF OF OWNERSHIP

In order to prove that the owner consents to the application for zoning relief, one of the following must be submitted:

- a) a current title policy report; or
- b) a deed and a current title search.

If the owner is not the applicant, an original letter of authorization from the owner permitting the applicant to act on his/her behalf is required.

If the owner or applicant is a Trust, a disclosure of all beneficiaries must be submitted.

If the owner or applicant is a Partnership, a disclosure of all partners must be submitted.

If the owner or applicant is a Corporation, a disclosure of all owners with an interest of at least ten percent (10%) must be submitted.

LEGAL DESCRIPTION

A legal description of the Subject Realty, i.e. the exact parcel of land for which the zoning relief is sought, must be submitted in both print and digital formats. The print version must be typed on 8½" by 11" paper (if necessary, more than one sheet may be used). The digital version must be submitted as a Word document on a floppy or compact disk. All legal descriptions must include the permanent index number(s) assigned to the Subject Realty and the common address(es) of the Subject Realty.

PLAT OF SURVEY

The applicant shall submit **ten (10) copies** of a current plat of survey for the Subject Realty showing all existing improvements on the property, prepared by a registered Illinois Professional Land Surveyor. **Plats shall be folded** so as not to exceed 9" by 12" in folded size.

FINAL PLAN AND PLAT

Ten (10) copies of a final planned unit development plan and plat, suitable for recording, shall be prepared. **Plans shall be folded** so as not to exceed 9" by 12" in folded size. The purpose of the final plan and plat is to designate with particularity the land subdivided into conventional lots as well as the division of other land, not so treated, into open areas and building areas. The final plan and plat shall include, but not be limited to:

- a. **PUD Legal Description:** Legal description of entire area of final plan and plat (see requirement above).
- b. **Subdivision Plat:** If applicable, subdivision plat of all lands to be subdivided must be prepared for submission in the same form and meeting all the requirements of a normal subdivision plat.

- c. **Other Legal Descriptions:** For each separate, unsubdivided use area, including open space, an accurate legal description must accompany the application.
- d. **Building Locations:** Designation of the exact location of all buildings to be constructed.
- e. **Signatures/Seals:** Certificates, seals and signatures required for the dedication of lands and recording the document.
- f. **Required Information:** Tabulation of separate unsubdivided use areas, including land area, number of buildings, and number of dwelling units per acre.

All open space shall either be conveyed to a municipal or public corporation, conveyed to a not-for-profit corporation or entity established for the purpose of benefiting the owners and residents of the planned unit development or retained by the developer with legally binding guarantees, in a form approved by the Village Attorney, that the open space will be permanently preserved as open area. All land conveyed to a not-for-profit corporation or like entity shall be subject to the right of said corporation to impose a legally enforceable lien for maintenance and improvement of the open area.

CONSTRUCTION SCHEDULE

A final construction schedule shall be submitted for that portion of the PUD for which approval is being requested.

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------

COVENANTS, CONDITIONS, RESTRICTIONS, EASEMENTS

Final agreements, provisions or covenants which will govern the use, maintenance and continued protection of that portion of the PUD then being developed shall be recorded prior to issuance of any building permits. Such provisions may govern the ownership, use, maintenance and liability of any common areas or facilities within the development. When these provisions are proposed, **ten draft (10) copies** shall be submitted at the time of application. (See Sec. 9-14-5C7 of the Zoning Ordinance.)

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------

ARCHITECTURAL PLANS

Architectural plans (**ten (10) copies**) for all primary buildings shall be submitted in sufficient detail to permit an understanding of the architectural style of the development, the exterior appearance of the proposed buildings, and the number, size and type of dwelling units. Also, provide total floor area of each building type and the total ground coverage of each building (Sec. 9-14-5B11 of the Zoning Ordinance). **Plans shall be folded** so as not to exceed 9” by 12” in folded size.

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------

TREE PRESERVATION PLAN

All development and landscape plans must address and comply with the Tree Preservation Ordinance adopted by the Village Board. (See Sec. 9-13-14 of the Zoning Regulations for more information.) **Ten (10) sets of tree preservation plans** shall be submitted with the initial application to show that the development plans adequately comply with the Tree Preservation Ordinance. **Plans shall be folded** so as not to exceed 9” by 12” in folded size.

Appl Staff

LANDSCAPE PLAN

All development and landscape plans must comply with the landscape and screening requirements as set forth in the Zoning Regulations, including the Tree Preservation Ordinance as noted above. (See Sec. 9-13, 9-11-8, and 9-15-2C of the Zoning Ordinance for more information.) The final landscape plan shall carry out the scope and intent of the approved preliminary landscape plan for the portion of the PUD for which final approval is sought. **Ten (10) sets** of landscape plans shall be submitted. **Plans shall be folded** so as not to exceed 9” by 12” in folded size.

ENGINEERING PLANS

Ten (10) sets of detailed plans shall be submitted for the design, construction or installation of site improvements, including paved areas, utilities, lakes and other site improvements, and shall also include a soil erosion and sedimentation control plan. The standards for design and construction of public facilities are generally found in the Subdivision Ordinance. The Village Engineer can provide further details on these requirements. **Plans shall be folded** so as not to exceed 9” by 12” in folded size.

IMPROVEMENT AGREEMENT

The form provided by the Village shall be completed prior to Village Board consideration in order to set forth the terms in which the **required** improvements will be installed. Two original and **nine (9) copies** shall be submitted at time of application.

ENGINEER'S ESTIMATE OF IMPROVEMENT COSTS

The applicant shall submit an **estimate** of the total cost of the required improvements, pursuant to the Improvement Agreement described above. The estimate shall be prepared by a registered professional engineer. **Ten (10) copies** shall be submitted.

LETTER OF CREDIT

A letter of credit, in a form acceptable to the Village Attorney, or other form of security acceptable to the Village, shall be provided by the **applicant** to cover the estimated costs of all required improvements made necessary as a result of the final plan and plat for the PUD. Said letter of credit shall be in an amount equal to 120% of the cost, determined by the Village Engineer, to be sufficient to complete the improvements and installation in compliance with the Improvement Plans. The letter of credit may be submitted after the Facilities Plans, Engineer's Estimate and Improvement Agreement have been reviewed and recommended for approval by the appropriate Village staff.

TRAFFIC REGULATION AGREEMENT

A Traffic Regulation Agreement is required by the Village in order to permit Village of Woodridge Police Department enforcement of traffic **regulations** and other matters on the Subject Realty. One signed original and **nine (9) copies** shall be submitted at time of application.

Appl	Staff
<input type="checkbox"/>	<input type="checkbox"/>

TRAFFIC REGULATION SITE PLAN

A Traffic Regulation Site Plan is required as an exhibit to the Traffic Regulation Agreement. This plan should identify all existing and proposed traffic regulation signage and markings on the Subject Realty. This plan should include parking stall striping, handicap and parking restrictions, fire lanes and traffic control signage. **Ten (10) folded copies**, not exceeding 9” x 12”, (folded size) shall be submitted at time of application.

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------

LETTER FROM SURVEYOR AUTHORIZING CLERK TO RECORD

All plats shall be submitted to the Planning and Development Department with the original signed Mylar and a letter from the surveyor authorizing the Village Clerk to record

<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------

ORIGINAL SIGNED MYLAR

Prior to Village Board consideration, the final Mylar of all recordable plans shall be submitted to the Planning and Development Department. All signatures shall have already been obtained at this time except for the following: Village signatures, County Clerk signatures and County Recorder signatures.

REVIEW BY OTHER AGENCIES

Appl Staff

Kane-DuPage Soil and Water Conservation District - (Application attached)

Any person who petitions the Village for relief from the Zoning Ordinance, or who proposes to subdivide vacant or agricultural lands within the Village shall file an application for a *Land Use Opinion with the Kane-DuPage Soil and Water Conservation District*. In these instances, proof of such an application filed with the *Kane-DuPage Soil and Water Conservation District* must be submitted to the Village. (Note: Some properties are already on file with the District and they may have an existing report for a particular property.)

Will/South Cook County Soil and Water Conservation District - (Application attached)

Any person who petitions the Village for relief from the Zoning Ordinance, or who proposes to subdivide vacant or agricultural lands within the Village shall file an application for a *Land Use Opinion with the County Soil and Water Conservation District*. In these instances, proof of such an application filed with the *Will/South Cook County Soil and Water Conservation District* must be submitted to the Village. (Note: Some properties are already on file with the District and they may have an existing report for a particular property.)

Endangered Species Consultation - (Application attached)

Rezoning requests for lands currently zoned as agricultural or other "open space" designation to one that would allow development shall be submitted for review. Approval of planned unit developments, special use permits, and preliminary and final subdivision plats are subject to this review process. The applicant shall file an application for an *Endangered Species Consultation Agency Action Report with the Illinois Department of Conservation*. The applicant should list the *Village of Woodridge* as agency name, and *Five Plaza Drive, Woodridge, IL 60517* as the address. Also list the Village planner working on the case as the contact person on the application form so a copy of the response is returned to the Village. When such an application to the *Illinois Department of Conservation* is required, proof of a submitted application must be provided to the Village.

Highway Department

If the project involves a new access or a change to an existing access on a State highway (such as Route 53, Joliet Road) or a County highway (such as 75th Street, Hobson Road, Lemont Road, Boughton Road, Woodward Avenue (between 83rd Street and Boughton Road)), a highway permit is required from the appropriate agency. When such an application to the *DuPage County Highway Department or the Illinois Department of Transportation* is required, proof of a submitted application must be provided to the Village.

Wetlands Permit

If the proposed development involves construction, dredging or regulatory wetland area, the applicant must file an application for a *Joint Regulatory Review Wetlands Permit with the U.S. Army Corps of Engineers*. The applicant may be required to submit additional studies and proposed mitigation efforts in order to receive a permit. When such an application to the *U.S. Army Corps of Engineers* is required, proof of a submitted application must be provided to the Village.

FINAL PLAN AND PLAT CHECKLIST

A final plan and plat shall be prepared at a scale of not less than one inch equals one hundred feet (1" = 100'). The purpose of the final plan and plat is to designate with particularity the land subdivided into conventional lots as well as the division of other land, not so treated, into open areas and building areas. It shall show such designations as proposed streets, all proposed building locations and the proposed use of said buildings, common open space, recreation facilities, parking areas, service areas, and other facilities to indicate the character of the proposed development. The submission may be composed of one or more sheets and drawings and shall include the information listed below.
