<b>ITEM TITLE:</b> Motion to Approve the Award of Bid #2014-07 83RD Street Bridge Improvement Project to Alliance Contractors, Inc of Woodstock, Illinois in the Amount of \$205,523.040.	<b>AGENDA DATE:</b> 02/5/2015
<b>ITEM REVIEW</b>	
<b>TO:</b>	<b>Mayor &amp; Village Board</b>
<b>THROUGH:</b>	<b>Al Stonitsch, Village Administrator</b>
<b>FROM:</b>	<b>Nadine Alletto, Finance Director</b>
<b>INITIATOR:</b>	<b>Nadine Alletto, Finance Director</b>

Notice published in the Daily Herald: 11/20/2014 Bid Opening Date: 12/9/2014 Number of Bids Received: 4
Basis for Bid Award: Four responsive bids were received:

BIDDER	PRIMARY AREA
ALLIANCE CONTRACTORS, INC	\$205,523.40
MYS, INCORPORATED	\$225,727.90
HERLIHY MID-CONTINENT CO	\$245,997.30
COPENHAVER CONSTRUCTION, INC	\$267,542.20

Public Works has reviewed the bids that were received in response to Bid #2014-07. A total of four (4) bids were received. The bid requested pricing for the 83rd Street Bridge Improvements Project. The lowest bid in the amount of \$205,523.40 was received from Alliance Contractors, Inc.

The Village has an intergovernmental agreement in which Woodridge is responsible for the superstructure (deck, railings, etc.) for the 83rd Street Bridge across I-355 between Janes Avenue and Woodward Avenue, while the Illinois Toll Authority is responsible for the bridge substructure. The Village has continued to monitor the bridge deck and pavement and while it continues to be in good condition, the Village received notice that some attributes of the bridge deck need to be upgraded to meet new requirements for bridge decks with pedestrian travel lanes. Over the past year, staff has worked with V3 and the Tollway to determine the design improvements, impact on neighboring properties, timeframes, and plan approval for the bridge deck improvements.

The Village Engineer's estimate for the project was approximately \$195,000. The bid from Alliance Contractors was responsive and meets the project specifications. This project was originally budgeted in Stub Year 2014 but the funds have been rebudgeted for \$207,020 in Calendar 2015. In addition, the construction engineering costs of approximately \$5,000 (under separate contract with V3 Engineering) will increase the total estimated completion cost to

## Motion No.

\$211,000 and the difference in budget to actual will be covered by funds allocated to engineering services.

Although staff has not had prior experience working with Alliance Contractors, Alliance Contractors is certified as a "Large Bridge Contractor" with Illinois Department of Transportation and staff called references for the company which were all positive. Specifically, they have done similar work to this project's scope and the City of St. Charles, Kane County, Village of Carol Stream and V3 Consultants all responded that Alliance did reliable and quality work and that they would work with them again.

Public Works is recommending the Village Board award of Bid 2014-07 to Alliance Contractors, Inc. in the amount of \$205,523.40.
