

## Motion No.

BOARD MEETING AGENDA ITEM - HISTORY/COMMENTARY	
<b>ITEM TITLE:</b> Motion to Approve the Award of Bid #2016-06, Lift Station Driveway - 75Th Street and Providence Drive, to E. Hoffman, Inc., Lombard Illinois, in the Amount of \$76,143.00	<b>AGENDA DATE:</b> 07/21/2016
<b>ITEM REVIEW</b>	
<b>TO:</b>	<b>Mayor &amp; Village Board</b>
<b>THROUGH:</b>	<b>Al Stonitsch, Village Administrator</b>
<b>FROM:</b>	<b>Chris Bethel, Director of Public Works</b>
<b>INITIATOR:</b>	<b>Robert Myers, Civil Engineer</b>

### ITEM HISTORY:

The Village operates a sanitary lift station at the corner of 75th Street (75<sup>th</sup> and Prospect) near the northbound I-355 ramp. The lift station was built by Illinois State Toll Highway Authority as part of the I-355 construction to mitigate a conflict between the elevation of the highway and the existing gravity sanitary sewer at that time. The station was not built with a dedicated driveway access. Currently Public Works vehicles access the site by crossing a private parking lot and traveling over turf to the station. Vehicles have caused damage to the turf and surrounding area when accessing with our larger equipment. This project includes the construction of an asphalt driveway that would access the station from the public right-of-way in front of the private property along 75th Street.

### ITEM DISCUSSION:

The Village advertised Bid #2016-06, Lift Station Driveway Improvement, on June 18, 2016. On July 6, 2016 a bid opening for this project was held and a total of three (3) bids were received. The lowest bid in the amount of \$76,143.00 was received from E. Hoffman, Inc. from Lombard Illinois.

<u>BIDDER</u>	<u>TOTAL</u>
<b>E. Hoffman, Inc.</b>	<b>\$76,143.00</b>
Abbey Paving Co., Inc.	\$93,239.30
Alliance Contractors, Inc.	\$113,927.00

The bid from E. Hoffman Inc. was responsive and meets the project specifications. Village staff contacted the City of St Charles, Naperville Park District and Elk Grove Park District and all were satisfied with the work performed by E. Hoffman, Inc. in their communities.

This project was budgeted in the Calendar Year 2016 budget for \$55,000. In the course of designing the project, it was determined that the driveway would need to be wider to accommodate our service vehicles which increased the size of the retaining wall and the cost of the project. The additional cost for this project will be covered by existing capital rehabilitation money budgeted in 2016 for Water and Sewer Capital projects.

## Motion No.

Public Works is recommending the Village Board award Bid #2016-06, Sanitary Lift Station Driveway Project, to E. Hoffman, Inc. in the amount of \$76,143.00 at the July 21, 2016 Village Board meeting.
