

Motion No.

BOARD MEETING AGENDA ITEM - HISTORY/COMMENTARY	
ITEM TITLE: Motion to Award BID 2017-05, Sanitary Sewer Manhole Rehabilitation Project to National Power Rodding in the Amount of \$97,875.00	AGENDA DATE: 11/2/2017
ITEM REVIEW	
TO:	Mayor & Village Board
THROUGH:	Al Stonitsch, Village Administrator
FROM:	Chris Bethel, Director of Public Works
INITIATOR:	Jeff Moline, Asst. Director Public Works

PURPOSE AND ACTION REQUESTED:

Staff is requesting Village Board consideration of a Resolution authorizing an award of BID 2017-05, Sanitary Sewer Manhole Rehabilitation to National Power Rodding Inc. (Chicago, IL) in the amount of \$97,875.00 for the Base Bid project.

BACKGROUND:

As part of the Village's Capital Improvement Plan for the Village Sanitary System, Bid 2017-05 entails the rehabilitation of 35 sanitary sewer manholes to repair structural issues and to remediate sources of inflow and infiltration of rainwater into the sanitary system. The improvements include: Replace manhole frames and lids; sealing and adjusting manhole frames; internal chimney sealing; cementitious coating; and, grouting and repairing or replacing the bench & trough. The 35 manholes were the highest problem manholes in Basin B as determined through the Sanitary Sewer Evaluation Study (SSES) of Basin B completed by RJN Engineering. Basin B is the area of town bounded by Ravinia Lane to the north, Edgewood Parkway to the south, Woodward Avenue to the east, and Rte. 53 to the west.

DISCUSSION:

On October 17, 2017 the Village held a public bid opening for the 2017 Sanitary Sewer Manhole Rehabilitation project. A total of five (5) bid proposals were received. The low bid for the base bid work was from National Power Rodding in the amount of \$97,875. The range in bids were as follows:

#	Vendor	Base Bid
1	National Power Rodding	\$97,875.00
2	Michaels Corporation	\$103,076.22
3	Culy Contracting Inc	\$99,561.00
4	Archon Construction	\$99,500.00
5	Kim Construction	\$119,640.00

The bid from National Power Rodding was responsive to the bid requirements. National Power Rodding has worked for the Village of Woodridge on past sanitary lining rehabilitation projects and the Village was satisfied with the work.

Motion No.

BUDGET:

The FY 2017 Budget includes \$75,000 in Sewer Services - Water and Sewer Capital, for the Manhole Rehabilitation, and the remaining \$22,875 dollars will be appropriated from unallocated dollars budgeted for Inflow and Infiltration Study and Remediation.

RECOMMENDATION:

Staff is recommending Village Board approval of a Resolution authorizing a contract award for BID 2017-05, Sanitary Sewer Manhole Rehabilitation Project, to the lowest responsive and responsible bidder, National Power Rodding, Inc. (Chicago, IL) in the amount of \$97,875.00 for the base project only.

ACTION PROPOSED:

Approval of the Motion
