## Woodridge Town Centre Master Plan

(Woodridge, IL) The Village of Woodridge and Woodridge Park District are beginning the process of creating a *Town Centre Master Plan*. The Town Centre area is located north of 75th Street and south of Hobson Road and includes the following existing facilities: Village Hall, Woodridge Library, Village Police/Public Works facility, Park District Community Center, U.S Post Office, and Jefferson Junior High School. Public open space within the Town Centre area consists of Hawthorne Hill Woods, Memorial Park, Lake Carleton, Lake Harriet and 44 acres of open space jointly owned by the Village and Park District.

The *Town Centre Master Plan* project will identify land use alternatives and develop conceptual site plans for the Town Centre area. The intent of the Plan is to provide both the Village and Park District with a community supported concept that further strengthens the Town Centre as a community focal point.

According to Michael Mays, Community Development Director for the Village of Woodridge, "The Plan will not be successful without the participation of residents, property owners, and other community stakeholders. Their input and ideas are important and the Village and the Park District are interested in their vision for Town Centre."

### Community Workshop

The first opportunity for the community to get involved will be a Community Workshop to be held on Wednesday, May 29, 2013 at 7:00 p.m. at the Woodridge Park District Community Center, located at 2600 Center Drive, Woodridge.

The workshop will review the purpose of the *Town Centre Master Plan*, the planning process to be undertaken, the schedule for the study, and establish and refine the community's vision and goals for the Town Centre.

The workshop will be an interactive experience designed to review, discuss, and identify conditions and potentials within the Town Centre. The results and feedback from the workshop, along with other community outreach activities, will be used to identify community priorities and objectives, and will serve as the foundation for the *Town Centre Master Plan's* direction.

For more information, or to provide additional feedback about the Town Centre Master Plan, visit the project website at [www.hlplanning.com/woodridge](http://www.hlplanning.com/woodridge). To RSVP for this workshop, or for more information, please contact Jennifer Horn at (630) 719-4710 or [JHorn@vil.woodridge.il.us](mailto:JHorn@vil.woodridge.il.us).
