Woodridge Town Centre Community Workshop May 29, 2013, 7:00 PM

(Woodridge, IL) Join the Village of Woodridge and Woodridge Park District for the first *Town Centre Master Plan* Community Workshop on Wednesday, May 29, 2013 at 7:00 p.m. at the Woodridge Park District Community Center, 2600 Center Drive. The Town Centre area is located north of 75th Street and south of Hobson Road and includes the following existing facilities: Village Hall, Woodridge Library, Village Police/Public Works facility, Park District Community Center, U.S Post Office, and Jefferson Junior High School. Public open space within the Town Centre area consists of Hawthorne Hill Woods, Memorial Park, Lake Carleton, Lake Harriet and 44 acres of open space jointly owned by the Village and Park District. The *Town Centre Master Plan* will identify community preferred open space, recreational and civic land use alternatives for the Town Centre area.

“The Community Workshop on the 29th will be an opportunity for Woodridge residents and stakeholders to share their vision for the Town Centre area,” said Woodridge Mayor Gina Cunningham. “This input is integral to the creation of the *Town Centre Master Plan*.” To RSVP for this workshop, please contact Jennifer Horn at (630) 719-4710 or jhorn@vil.woodridge.il.us.

NEW MAPPING APPLICATION! Interested in participating in the Town Centre planning process online? Participants can create their own Town Centre map in an interactive mapping application found on the Town Centre project website. The mapping application allows participants to create a map identifying suggestions, ideas, or concerns related to the Town Centre area. To get started, visit the project website at www.hlplanning.com/woodridge and click “CREATE A MAP” at the top right corner of the homepage. Once you are in the application, click “Create a new map” on the left side of the page to get started. You will then be prompted to enter your email address, pick a display name and create a password. For more information or questions related to the *Town Centre Master Plan* project, please contact Jennifer Horn at (630) 719-4710 or jhorn@vil.woodridge.il.us.
