

Motion No.

BOARD MEETING AGENDA ITEM - HISTORY/COMMENTARY	
ITEM TITLE: Bid #: 18-00000-01-GM 2018 MFT Resurfacing Project Motion to Approve the Award of Bid for the 2018 MFT Resurfacing Project to K-Five Construction Corporation of Westmont, Illinois (#18- 00000-01-GM)	AGENDA DATE: 04/5/2018
ITEM REVIEW	
TO:	Mayor & Village Board
THROUGH:	Al Stonitsch, Village Administrator
FROM:	Chris Bethel, Director of Public Works
INITIATOR:	Brandon Tonarelli, Civil Engineer

PURPOSE AND ACTION REQUESTED:

Staff is requesting Village Board consideration of a proposed Resolution authorizing the execution of a contract award with K-Five Construction Corp. to perform the 2018 MFT Resurfacing Project (#18-00000-01-GM), in the Base contract amount of \$1,322,155.88.

BACKGROUND:

The 2018 MFT Resurfacing Project (#18-00000-01-GM) base bid includes the resurfacing of sixteen (16) streets, a total of 3.13 miles. The improvement includes the minor resurfacing of fourteen (14) streets and the full depth resurfacing of two (2) streets. See Exhibit A for the full list of streets and Exhibit B for a map of the improvements.

Proposed work is to remove and replace all of the asphalt on the street to be full depth resurfaced, and a 2" mill and resurface of those streets designated as minor resurfacing. The 2" mill is consistent with the recommendations from the pavement analysis study.

Miscellaneous curb and sidewalk repairs, miscellaneous driveway repairs, miscellaneous storm sewer repairs, pavement patching and pavement markings throughout the Village and all other related work will be completed as well. The MFT Appropriation for this work was approved by the Village Board on February 15, 2018.

Add Alternate Options for Village Board Consideration

Staff also included as part of the contract bidding two (2) add alternates. **Alternate #1** includes the full depth resurfacing of two (2) streets and **Alternate #2** includes the full depth resurfacing of one (1) street.

DISCUSSION:

On Thursday, March 22, 2018 at 11:00 A.M. sealed bids for the 2018 MFT Resurfacing Project were opened and read aloud. The bid for the project contained a base bid, and the aforementioned two alternate bids, to allow the Village to resurface additional streets if bid prices were favorable. A total of seven (7) contractors submitted bids for the project – the full bid tabulation is attached. All bidders submitted Bid Bonds in the amount of five (5) percent of their base bid as required by the contract documents.

Motion No.

	Company	Base Bid	Alternate #1 Bid	Alternate #2 Bid
Low Bid	K-Five Construction Corp.	\$1,322,155.88	\$192,317.46	\$124,413.39
High Bid	J. A. Johnson Paving Co.	\$1,519,239.52	\$223,406.35	\$146,381.83

The bid by K-Five Construction Corp., the apparent low bidder, was responsive and met the project specifications. They are in good standing with IDOT, and have completed roadway improvement projects satisfactorily for the Village in the past.

If the Mayor and Board approves the agreement, once Public Works receives the executed contracts along with bond and insurance requirements from the contractor, the documents will be finalized and sent for final IDOT approval.

BUDGET:

This project is budgeted at \$1,377,460.00 (i.e. \$1,337,460.00 in the Motor Fuel Tax Fund and \$40,000 in the General Fund). The proposed base contract award, therefore, is within budget.

NOTE: If the Board desires to add one or both Alternates to the base contract, the MFT Fund does have projected year-end fund balance of \$1,689,059. The additional costs, therefore, could be covered through the use of the Fund's reserves. If that is the direction of the Board, a separate MFT supplemental resolution will be required by IDOT for the additional MFT Fund expenditures. The resolution would, then, be brought forward to the Village Board at a later date.

The contract award options and associated costs are summarized in the following table:

	Option #1	Option #2	Option #3	Option #4
Combination	Base Bid Only	Base + Alternate 1	Base + Alternate 2	Base + Alternate 1 +Alternate 2
Cost	\$1,322,155.88	\$1,514,473.34	\$1,446,569.27	\$1,638,886.73
Amount (Under) or Over Budget	(\$55,304.12)	\$137,013.34	\$69,109.27	\$261,426.73

RECOMMENDATION:

Staff is recommending Village Board approval of a proposed Resolution authorizing the execution of a contract award with K-Five Construction Corp. to perform the 2018 MFT Resurfacing Project (#18-00000-01-GM), in the base contract amount of \$1,322,155.88.

ACTION PROPOSED:

Approval of the Motion

Motion No.
